Sir:

We submit herewith Form PTO-1449 together with copies of the publications listed therein. They are submitted to comply with the Applicants' duty of disclosure under 37 C.F.R. §1.56. Also enclosed is a copy of a Supplementary European Search Report issued November 4, 2002. The enclosed publications are believed related in view of their mention in the Search Report for the reasons stated.

Applicants certify that each item of information contained in the Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months ago.

Also enclosed is our check in the amount of \$180.00 since we are submitting this Information Disclosure Statement after the mailing date of the first Office Action but before the mail date of any of a final action under §1.113, a notice of allowance, or an action that otherwise closes prosecution in the application.
